The Honorable William J. Casey
Director of Central Intelligence

Washington, DC 20505

Dear Mr. Casey:

I would like to resign from your Science and Technology Advisory Panel effective 31 December 1984.

I have worked with STAP since 1978. During this period, I have very much enjoyed the opportunity to meet with you personally, and to work with the other members of the Panel, and the IC staff.

However, in panel activities of this type, I think it is essential to have turnover and renewal in membership, and with the new appointments which have recently been made, I believe that the Panel leadership and the membership will continue to be very strong.

It has been a pleasure to be able to work with you and your staff, and I hope that our contributions have been helpful.
